SCHOLAR ACCEPTANCE: If selected as an HMC Scholar, I, _____, solemnly affirm that I accept and will abide by all the conditions and criteria established for the Designing Futures Scholarship Program.

I understand that I must meet or exceed the academic requirements for each year I am in the program. In addition, I commit to adhere to the high standards of behavior, character, and responsibility that is expected of an HMC Scholar. I realize that my failure to do so may result in my immediate removal from the program and loss of my scholarship, at the sole discretion of the Foundation. This means that even if my behavior does not result in school or legal discipline, the Foundation may cancel my scholarship if, in their opinion, such behavior does not properly reflect the standards expected of an HMC Scholar.

I agree to hold the Foundation, the District, and the School harmless from any liability that may result from the loss of my scholarship for the above reasons.
